# Bold & beautiful

Colourful prints will ensure you stand out at the racetrack

Stylist // Pip Miller

**What's the key element to achieving this look?** I chose prints and patterns because they attract my attention when shopping for something different to wear.

**Would this look suit anyone?** Anyone with a youthful demeanour and fun personality who doesn't like to risk wearing 'off the rack'. Most of the designs would suit a range of body types. From head to toe these looks cost less than \$500.

**Was it easy to source these outfits?** Instead of browsing the stores, I browsed my mind for designers whose clothes I love. Then it was fairly simple to dress the man and accessorise the outfits with lots of choice in Cairns.

**Is there an essential accessory to this look?** A smile, a wink, a man on your arm and a great fascinator from Marcia Ebdell-Blanch's selection of made-to-order headwear at As You Like It. Marcia actually made these fascinators to match the outfits and I was so impressed with her creativity.
